2019-2020 SA Athletic FC - U11 - U19 Girls Competitive Select Player Commitment Agreement

Important Information:

I/We understand that this commitment is for the Fall 2019 through Spring 2020. Application is hereby made for registration of a player as a member of the SA Athletic FC for the 2019-2020 soccer year. This is to include any scrimmages, games, tournaments, and/or showcases the team participates in throughout the entire season (August through June).

I/We understand that the selection and team placement of players shall be at the sole and absolute discretion of the SA Athletic FC coaching staff. The continued participation of a player is contingent upon the player and family abiding by the rules, agreements, and policies (including Parent and Player guidelines and responsibilities found in the Player & Parent Handbook, online), the Alamo Area Youth Soccer Association (AAYSA), Western District Division One Association (WDDOA), the South Texas Youth Soccer Association (STYSA), and the United States Soccer Federation (USSF).

Any player rostered to a SA Athletic FC team is considered by the club a SA Athletic FC player throughout the year. If the coaching staff feels movement between teams is necessary to benefit the overall development of the player, team, and club, such movement between teams can be initiated by the coaching staff anytime the rosters are open and league rules permit player movement. Players have the right to refuse to move, although doing so and going against the qualified guidance of the SA Athletic FC coaching staff is not encouraged.

Player/Parent Handbook:

The Player/Parent Handbook is found online on our website. It contains all information regarding SA Athletic FC policies and procedures. All players and their families are expected to abide by and support the policies and procedures included therein. For additional questions please follow the communication channels identified in the handbook and contact your team coach, program director, or the administrative office.

Again, thank you for participating and becoming a member in the SA Athletic FC 2019-2020 Girls Competitive Select Program.

Expectations and Requirements:

All players are expected to meet a high standard of commitment. Players are expected to attend all practices and participate in all league games and tournaments scheduled for their assigned team.

Division I, Super II, and Division II coaches will make every effort (but are **NOT REQUIRED**) to play each player at least 50% of each game, except when players are injured, ill, and ineligible because of an overdue fee balance, or attendance or disciplinary reasons.

Tournament fees are not included in the annual registration fees as they vary from one team to another. These fees are collected by the team managers as they register for them throughout the year. Amount of tournament (and possible trainer travel fee if an out-of-town event) is calculated and divided by the number of players on the team. Players are required, as a player on the roster, to pay for their portion of tournament and any travel fees for trainers the team is attending. Payment is due for a tournament regardless of participation on these as they are required tournaments. Tournaments are determined by the director of the program.

Annual Fees:

Annual fees include all practice fees, all player related registration into the appropriate registrations, league team registrations for Fall and Spring, etc. Additional costs include, but may not be limited to, player travel expenses, team fees, and travel costs for SA Athletic FC coaches at these events. Fees remain the same regardless of the number of days in the season. During the season if the player’s division status changes, *fees will be adjusted accordingly*. Fees will not be refunded or forgiven due to player absences, withdrawals, or early release from a team. Fees will not be refunded if injured – however, if communication is made to our administration and it is determined an injury which will enable a player for several months, adjusted amount may be used at a return date after injury. If billing has started and a team should move within divisions or associations, prices will be adjusted to the remainder of the payments for the adjusted amount.

Initial Commitment fee is \$175.00 (non-refundable) collected initially for all players to secure their spot and hold their place on the team.
